

Common App member colleges providing URL fields in the 2022-23 application process

By mid-October 2022, about 980 out of 1024 Common Application member institutions launched 2022-23 applications. Of these colleges, 147 either provided a blank within the member questions giving the applicant the opportunity to provide a URL of choice or otherwise asked for specific information related to social media presence (Twitter or Instagram usernames/handles for example).
